Scotch-Brite™ Scrub & Drop Toilet Cleaning System 559-SD-SK-4, 4/1

3M ID 70007083713 UPC 50076308414127

Details

SCRUB, DROP, DISSOLVE, DONE: A new way to clean your toilet! Use its dissolving toilet bowl tablets to scrub, then eject it in the water and watch it dissolve. Then just flush it all away to reveal a clean, like-new bowl

CLEAN DIFFERENTLY: Scrub hard with power-packed toilet cleaner tablets that clean without scratching, and fizz away for a worry-free flush

MESS-FREE CLEAN: Unlike a conventional toilet scrubber that carries toilet water back across the floor. Flushable cleaning tools keep your bathroom cleaner. No water drips. Less plastic waste* (*Compared to non-flushable disposable scrubbers)

ERGONOMIC HANDLE: Its ergonomic handle is made from 50% recycled plastic and allows the dissolvable tablet to reach under the rim, in the tunnel, and everywhere around the bowl

A FRESHER FINISH: Whether you use the handle to give the bowl a thorough scrubbing or just drop them in for a quick refresh, these septic-safe bathroom scrubber tablets leave your toilet with a bright citrus grove scent
