Command™ General Purpose Variety Kit

3M ID CBGNAWUS1759   UPC 00076308929633

Details

HANGS UP TO 19 ITEMS: One Command Variety Pack includes six small picture hanging strips, four large picture hanging strips, three medium utility hooks, two large utility hooks, three small utility hooks, six small wire hooks and 20 strips

WORKS ON A VARIETY OF SMOOTH SURFACES: Each Command Hook and Command Strip bonds to painted walls, finished wood, painted concrete cinder blocks, laminate, glass, metal and tiles

SURFACE PREP: Clean with rubbing alcohol to remove grime and dust to allow the wall hangers to bond to the surface; the indoor temperature must be between 50 degrees Fahrenheit and 105 degrees Fahrenheit

USAGE TIPS: Wait seven days after painting before using the hooks or picture hanging strips to allow paint to cure; do not hang over beds or on wallpaper; do not use the wall hangers for hanging valuable items

EASY CLEAN REMOVAL: Lightly hold the top of the wall adhesive strip and slowly pull straight down towards the floor to remove the wall hangers and prevent damage of walls and surfaces

DAMAGE FREE HANGING: Each utility hook, wall hook and picture hanging strip works without leaving holes, marks or sticky residue on a variety of surfaces and remove cleanly when you want to redecorate or reorganize your space without tools

Command™ Slate Picture Ledge

3M ID CBGNARUS2471   UPC 00076308731021

Details

HOLDS UP TO 5 POUNDS: One package of the Command Picture Ledge, includes one wall shelf and 10 medium adhesive strips; the single floating shelf can hold up to five pounds

WORKS ON A VARIETY OF SMOOTH SURFACES: Black floating shelf works on a variety of smooth surfaces, including painted walls, finished wood, painted concrete cinder blocks, laminate, glass, metal and tiles

SURFACE PREP: Clean with rubbing alcohol to remove grime and dust to allow the picture hanging shelf's adhesive strips to bond to the surface; indoor temp must be 50-105 degrees Fahrenheit

USAGE TIPS: Wait seven days after painting before using the Command Picture Ledge to allow paint to cure; do not hang over beds or on wallpaper; don't exceed the five pound weight limit; do not hang items over the edge

EASY CLEAN REMOVAL: Lightly hold the top of the wall adhesive strips and slowly pull straight down towards the floor to remove the wall shelf and prevent damage of walls and surfaces

NO HOLES IN WALLS: The no tools shelf attaches neatly to the wall without the use of nails or hammers which makes this an essential for people who wish to personalize their space without tools

DAMAGE FREE HANGING: Picture hanger shelf works without leaving holes, marks or sticky residue on a variety of surfaces and removes cleanly when you want to redecorate

REUSE WITH REPLACEMENT STRIPS: Reuse your black wall shelf and hardware again by purchasing Command Refill Strips

Command™ Large Brushed Nickel Double Hook

Details

HOLDS UP TO 4 POUNDS: One package of the Command Large Double Wall Hooks includes one large wall hook and one large adhesive strip; each adhesive wall hook can hold up to 4 pounds

WORKS ON A VARIETY OF SMOOTH SURFACES: Wall hooks work on a variety of smooth surfaces, including painted walls, finished wood, painted concrete cinder blocks, laminate, glass, metal and tiles

SURFACE PREP: Clean with rubbing alcohol to remove grime and dust to allow the hanging hooks to bond to the surface; the indoor temperature must be between 50 degrees Fahrenheit and 105 degrees Fahrenheit

USAGE TIPS: Wait seven days after painting before using the Command Hooks to allow paint to cure; do not hang over beds or on wallpaper

EASY CLEAN REMOVAL: Lightly hold the top of the wall adhesive strips and slowly pull straight down towards the floor to remove the 3M Hooks and prevent damage of walls and surfaces

DAMAGE FREE HANGING: Wall hooks work without leaving holes, marks or sticky residue on a variety of surfaces and remove cleanly when you want to redecorate or reorganize your space without tools

WHAT TO HANG: Use these wall hooks to hang hats, calendars, keys, measuring spoons, cleaning tools, jewelry, and decor or use as a coat hook to hang your favorite jackets and coats

REUSE WITH REPLACEMENT STRIPS: Reuse your hook and hardware again by purchasing Command Refill Strips

Command™ Medium Matte Black Hook

3M ID CBGNAWUS1766   UPC 00638060081051

Details

HOLDS UP TO 3 POUNDS: One package of the Command Decorative Hooks includes one wall hook and two medium Command Strips; each decorative wall hook can hold up to three pounds
WORKS ON A VARIETY OF SMOOTH SURFACES: Wall hooks work on a variety of smooth surfaces, including painted walls, finished wood, painted concrete cinder blocks, laminate, glass, metal and tiles
SURFACE PREP: Clean with rubbing alcohol to remove grime and dust to allow the hanging hooks to bond to the surface; the indoor temperature must be between 50 degrees Fahrenheit and 105 degrees Fahrenheit
USAGE TIPS: Wait seven days after painting before using the Command Hooks to allow paint to cure; do not hang over beds or on wallpaper
EASY CLEAN REMOVAL: Lightly hold the top of the wall adhesive strips and slowly pull straight down towards the floor to remove the 3M Hooks and prevent damage of walls and surfaces
DAMAGE FREE HANGING: Wall hangers remove cleanly leaving no holes, marks or sticky residue on a variety of surfaces when you want to redecorate or reorganize
WHAT TO HANG: Use these wall hooks to hang hats, calendars, keys, measuring spoons, jewelry, brushes, kitchen utensils, dog leashes, brushes, home decor and accessories
REUSE WITH REPLACEMENT STRIPS: Reuse your hook and hardware again by purchasing Command Refill Strips

Command™ Large Refill Strips

Details

USE WITH LARGE WALL HOOKS: One package includes 20 strips of the Command Large Refill Adhesive Strips; use your wall adhesive strip to replace the current strips on any large indoor wall hook or light clip

REDECORATE AND REORGANIZE: Command Replacement Strips offer an easy, damage free way to move and rehang your Command Wall Hooks whenever you want, wherever you want, when the inspiration strikes

WORKS ON A VARIETY OF SMOOTH SURFACES: Wall hanger strips work on a variety of smooth surfaces, including painted walls, finished wood, painted concrete cinder blocks, laminate, glass, metal and tiles

SURFACE PREP: Clean the desired surface with rubbing alcohol to remove grime and dust to allow the wall hanger strips to bond to the surface; the indoor temperature must be between 50 degrees Fahrenheit and 105 degrees Fahrenheit

USAGE TIPS: Wait seven days after painting before using the refill strips to allow paint to cure; do not hang over beds or on wallpaper; do not use the wall hanging strips to hang valuable items

EASY CLEAN REMOVAL: Lightly hold the top of the wall adhesive strips and slowly pull straight down towards the floor to remove and prevent damage of walls and surfaces

DAMAGE FREE HANGING: Wall hanger strips work without leaving holes, marks or sticky residue on a variety of surfaces and remove cleanly when you want to redecorate or reorganize your space without tools

Command™ Broom Gripper

Details

BROOM AND MOP HOLDER: Each package includes adhesive strips and the white Command Broom and Mop Gripper. Each Gripper holds a broom or mop up to 4 pounds with a 0.8- to 1-inch diameter handle

WORKS ON A VARIETY OF SMOOTH SURFACES: Broom and mop holder works on a variety of smooth surfaces, including painted walls, finished wood, painted concrete cinder blocks, laminate, glass, metal and tiles

SURFACE PREP: Clean with rubbing alcohol to remove grime and dust to allow the broom mop holder wall hooks to bond to the surface; the indoor temperature must be between 50 degrees Fahrenheit and 105 degrees Fahrenheit

USAGE TIPS: Wait seven days after painting before using the Command Broom Gripper to allow paint to cure; do not hang broom mop holder within 1 foot of sink/water or within splashing distance

EASY CLEAN REMOVAL: Lightly hold the top of the wall adhesive strips and slowly pull straight down towards the floor to remove the no damage wall hangers and prevent damage of walls and surfaces

DAMAGE FREE HANGING: Grippers work without leaving holes, marks or sticky residue on a variety of surfaces and remove cleanly when you want to reorganize your space without tools

REUSE WITH REPLACEMENT STRIPS: Reuse your hook and hardware again by purchasing Command Refill Strips
